Old papers re to Adi Chunchan giri mutt.

In going through the old papers in the Nuzvid Branch, I was able to find a collection no 32. marked "Gurusnip of the Adi Chunchangiri mutt". Other references were traced according to the instructions of the Secretary Financial Dept.

The following papers were found in the Vernacular Records, where the file re to the proceedings of the Hooly Adawlut Court to the Communauds are kept.

(1) Kanada copy of office note. dated 29-7-1854.

(2) An English memorandum, written on the same plan as (1) Dy. 29. 7. 1854

3 Draft of proposed order. 13-9.185

From these references it is seen that Sri Adi Chunchangiri mutt is an ordinary Gosai mutt being of 12 such mutts scattered over the country, and in Canara and does not appear to be one of importance at the time.

Submitted for perusal.

The 2d Judge altogether differs in the above opinion, stating that the accusations were not proved, and that it would not be fair to remove him from his office and the Commissioner there passed an order to the effect that the Defendant should abide by the decision of the Adawlut, and that he saw no reason to interfere in the matter.

The Talook authorities of the Nagamungul Talook having ordered the removal of Sheer Jamash from the Mutt according to the Adawluts Decision the Desciples in his favor have made an appeal to the Commissioner, which has been referred to the Duftur. I beg to submit the following observations for the Commissioners consideration.

The Mutt in question is a private one without any support or Endowment from the

Agreeably to the request contained in the Urzee presented by the wheel of the Plaintiffs an order was issued from the Court to the Amildar of the Tuggumgul Talook with instruction to secure the property of the Mutt. whereupon the Amildar forwarded an Urzee to the Court setting forth some objections. As the proceedings of this case was sent to the Hoozoor accompanied with a yadast No. 187 as per instruction in the Hoozoor yadast No. 111 answers are to be given to the above Urzee after ascertaining whether this case was admitted at the Hoozoor or not. I therefore beg to be furnished with this information" In acknowledging the receipt of the same, the Hoozoor forwarded a yadast No. 12 dated 24th January 1854 stating that the Commissioner sees no reason to instit-

In the Urzee No. 1 dated 24th ultimo received from the amildar of Nagamungul, he states thus. "The Shakdar wrote me a Bunnaverilla to the effect that the defendant Dheeraganath is in the Mutt; that tomorrow is Sewarathry Jeuab, and that
